The Yearbook Staff interviewed Ms. Whitman, the advisor of the cheerleaders. Ms. Whitman said that the girls got along most of the time, so she does not have too many problems in that area. One thing she would like to change is in the way of uniforms. She would like to see the football cheerleaders be able to wear sweaters and slacks. Ms. Whitman said that she would be a cheerleader advisor again because she enjoyed working with the girls and going to the games.

Many Panther fans felt that the cheerleaders did not keep the spirit alive during football and basketball season, but they helped organize and perform in pep assemblies. The also sold spirit pins during "Spirit Week" also referred to as "Crazy Week" by many teachers.

THEY WON?

SHIELDS PANTHERS

1. We interviewed Mr. Trombley, the head coach about the 1978 football season and how he felt about it. We asked him why he thought the first part of the season was so bad and he said, "We were still learning the first few games and they were the toughest teams to beat." He said he was glad to see the new league because it gives some new teams a chance to play and a championship to shoot for. We asked him if he thought everyone put out a hundred per cent during the games and he said, "It varies-in some games some do well and some do well in others." Coach Trombley said that defense and line blocking were some of the weak points. One of the biggest problems was missing practice. The Panthers finished the season with a 3-3 record.

2. Last year the SJH teachers beat the 8th. grade basketball team by a score of 70-60. Here are some of the comments that the teachers had:
Mr. Hibbler: "Once again the superiority of college educated individuals combine into a group effort to show their prominence over children."
Mr. Miller: "It was a team effort and we are number 1."
Mr. Reeder: "The student body will never beat us, we're number 1."
Mr. Trombley: "The teachers showed their superiority physically as well as mentally."
Mr. B. : "There can only be one winner in a game like this, and it will always be the faculty."
Mr. Perry: "We knew what we had to do and went out and did it."
Mr. Fitz: "It was a team effort."

SPIRIT WEEK is a week when all the students at SJH get a chance to show how much spirit they have. Monday was Hat and Stuffed Animal Day. Wednesday was Blue and Gold Day. Thursday was Western Day. Friday was Backwards Day, clothes and classes were reversed. The spirit week was sponsored by the Lettermen and the Cheerleaders. Points were awarded for each person who participated. The seventh grade won with 1,271 points. The eighth grade had 1,265 points. Mr. Reeder said, "The student body did very well in participating. The sponsors did a great job, too." Along with the days students could dress up we had a leg contest between the male staff with Mr. King winning.
